POST HISTORIAN REPORT-

This month I completed my work on archiving the post history folder for 1990-91 from the one-year history scrap book loaned to me by Harriet Lemery. On Sept. 16, 1990, the post hosted a clambake at Pulaski park that was well attended and enjoyed by all.

This month I also worked on scanning and archiving the documents from the 100th Department of NH convention held in Manchester, NH from June 21-24, 2018.

You can reach the Post 3 history page on-line at <http://centennial.legion.org/new-hampshire/post3>. There is also link to the history on the Post 3 web site. Anyone that has a story or event that they feel is worthy of entry into the post history, please provide me with details and/or photos and I will add the event.

SERVICE OFFICER'S REPORT -

We had good donations again this month. Most were clothing, others were nonperishable foods. We loaded up the car and took these to the Liberty House in Manchester. They were very appreciable of the donations we have been giving to them.
