MEMBERSHIP –

2020 Adjutant's message

To all members, by now most of you may have received renewal notices by snail mail or e-mail. Please try to renew as soon as possible as this benefits the post because Department awards are issued to posts that achieve their membership goals early. It also makes things easier on the membership committee as they have to process and mail as much as 270 membership cards. Below is our membership renewal standing in District 2 as of 8-16-2019. We are currently at 60 % of our goal. Let's be the 1st in district 2 to reach 100% membership renewal.
